

What Parents Say?

Karan Dhingra

@SRV little Setps

From the last 3 years my kids are going for the summer camp & the different workshops organised at the center. I'm very happy & satisfied that the kids are learning well & happy too. The entire staff is really good be it at any level. The owner Ms. Sneh Gulati has been wonderful, her methodology & approach towards planning & executing the programs is commendable. I wish them all the best.

Art and Craft Ideas for School Children Guide
for Teachers and Parents

Engaging children in art and craft activities is not only a fun way to spend their time but also a great way to promote creativity, imagination, fine, gross motor skills – likely to be far more relevant in the coming future. So whether you're a teacher or a parent, incorporating art and craft into children's routines can have numerous benefits for their overall development. In this blog post, we will explore a variety of art and craft ideas that are perfect for school children. These activities can be easily implemented in the classroom or at home, and they are sure to spark joy and unleash the artistic potential within every child – and hopefully keep children away from screens, which are known to damage health and wire their brains in an inapt way.
